Estudante: _____ Data: ___/___/_____

1- Resolva as multiplicações dos relógios.

A clock face with numbers 1 through 12. A dashed rectangular box is drawn around the numbers 2, 3, 4, and 5. In the center of this box, the number 2 is written in a large, decorative font, followed by a multiplication sign (X) and another 2. There are empty rectangular boxes around the clock face for writing answers: one at the top, one at the bottom, and four on each side.

A clock face with numbers 1 through 12. A dashed rectangular box is drawn around the numbers 3, 4, 5, and 6. In the center of this box, the number 3 is written in a large, decorative font, followed by a multiplication sign (X) and another 3. There are empty rectangular boxes around the clock face for writing answers: one at the top, one at the bottom, and four on each side.

Estudante: _____ Data: ___/___/_____

1- Resolva as multiplicações dos relógios.

A clock face with numbers 1 through 12. A dashed rectangle is drawn around the numbers 4, 5, 6, and 7. The number 4 is written in a large, bold, cursive font, and a large 'X' is placed over it. There are empty boxes around the clock face for writing answers: one at the top, one at the bottom, and four on each side.

A clock face with numbers 1 through 12. A dashed rectangle is drawn around the numbers 5, 6, 7, and 8. The number 5 is written in a large, bold, cursive font, and a large 'X' is placed over it. There are empty boxes around the clock face for writing answers: one at the top, one at the bottom, and four on each side.

Estudante: _____ Data: ___/___/_____

1- Resolva as multiplicações dos relógios.

A clock face with numbers 1 through 12. The number 6 is crossed out with a large 'X'. A dashed rectangular box is drawn around the numbers 9, 10, 11, and 12. There are empty boxes for answers: one at the top, one at the top-left, one at the top-right, one at the middle-left, one at the middle-right, one at the bottom-left, one at the bottom-middle, and one at the bottom-right.

A clock face with numbers 1 through 12. The number 7 is crossed out with a large 'X'. A dashed rectangular box is drawn around the numbers 8, 9, 10, and 11. There are empty boxes for answers: one at the top, one at the top-left, one at the top-right, one at the middle-left, one at the middle-right, one at the bottom-left, one at the bottom-middle, and one at the bottom-right.
